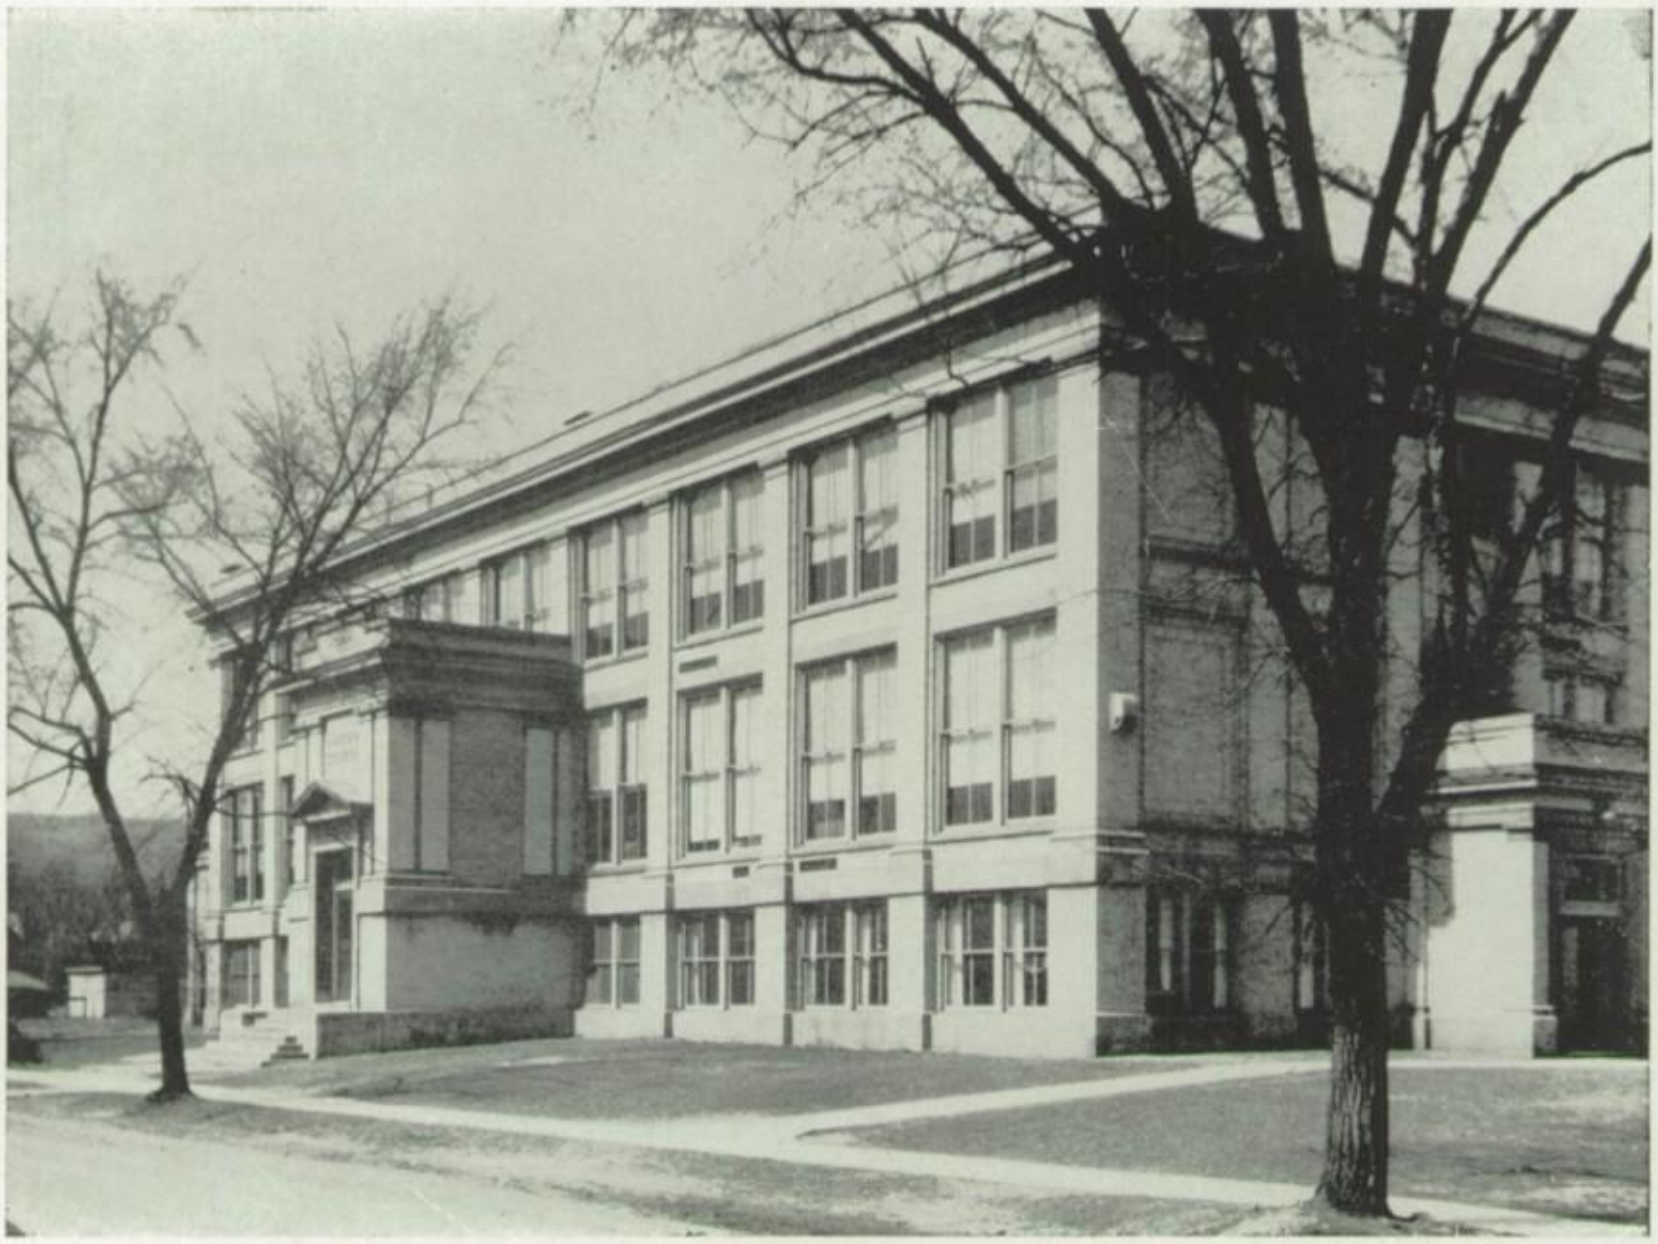
EX LIBRIS



ALMA MATER

Come, comrades dear, and join us
We'll raise a mighty cheer
For the good old Alma Mater,
To all of us so dear,
For there is not one among us,
But loves her with his might,
And always does his bravest
For the Blue and Orange bright.

Dear Beloved Alma Mater
We honor thy fair name,
And as athletes and as students
We'll earn you praise and fame.
On the football field or diamond,
For thee shall praise resound;
In the classics hall of learning
Shall be owned thy fair renown.

All too fast the time draws nearer—
School days behind we'll leave;
Then for thee dear Alma Mater
In the after years we'll grieve;
Always as a gentle mother,
Our hearts to thee are true,
As you teach us loyal friendship
To the Orange and the Blue.

Hi Herb -
Wishing you
the best of every-
thing. Have a wonder
full guy. Have fun
and be good.

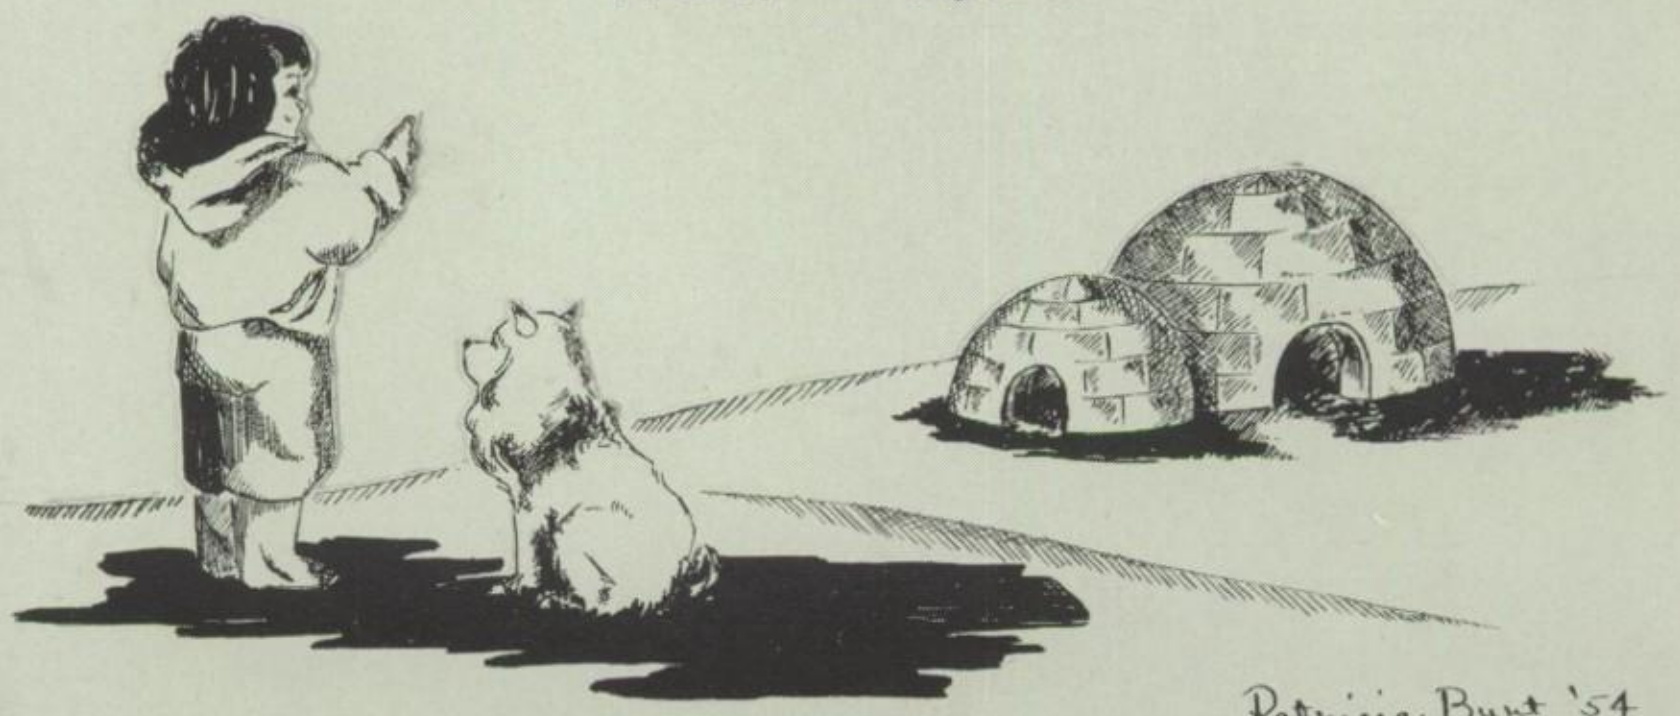
NEW YORK



FOREWORD

THIS IS THE YEARBOOK of the Class of 1954. In the book we have tried to portray the happenings of our school this year through words and pictures.

Since we live in a location whose winters are characterized by Jack Frost portraits on the windows; pudgy snowmen in the yards; zestful toboggan and ski runs on nearby hills, and colorful parkas and boots dashing through the feathery snows; we felt it would be most appropriate to choose the Far North as our theme.

Now that our four years have ended at T. A. E. we must board our dog-sleds and with a crack of the whip, "Mush!" as we charge on to new goals ahead.

Good luck to a great guy

DEDICATION

To Mr. Charles Easterbrook, who, as our constant guide and advisor, has made our four years here both happy and profitable. His patience and limitless efforts have enabled us to complete these high school years successfully. I am sure that when we look back on our high school years, he will play as big a part in our memories as he has in our high school career.

SUPERINTENDENT

Mr. Harry H. Hatten

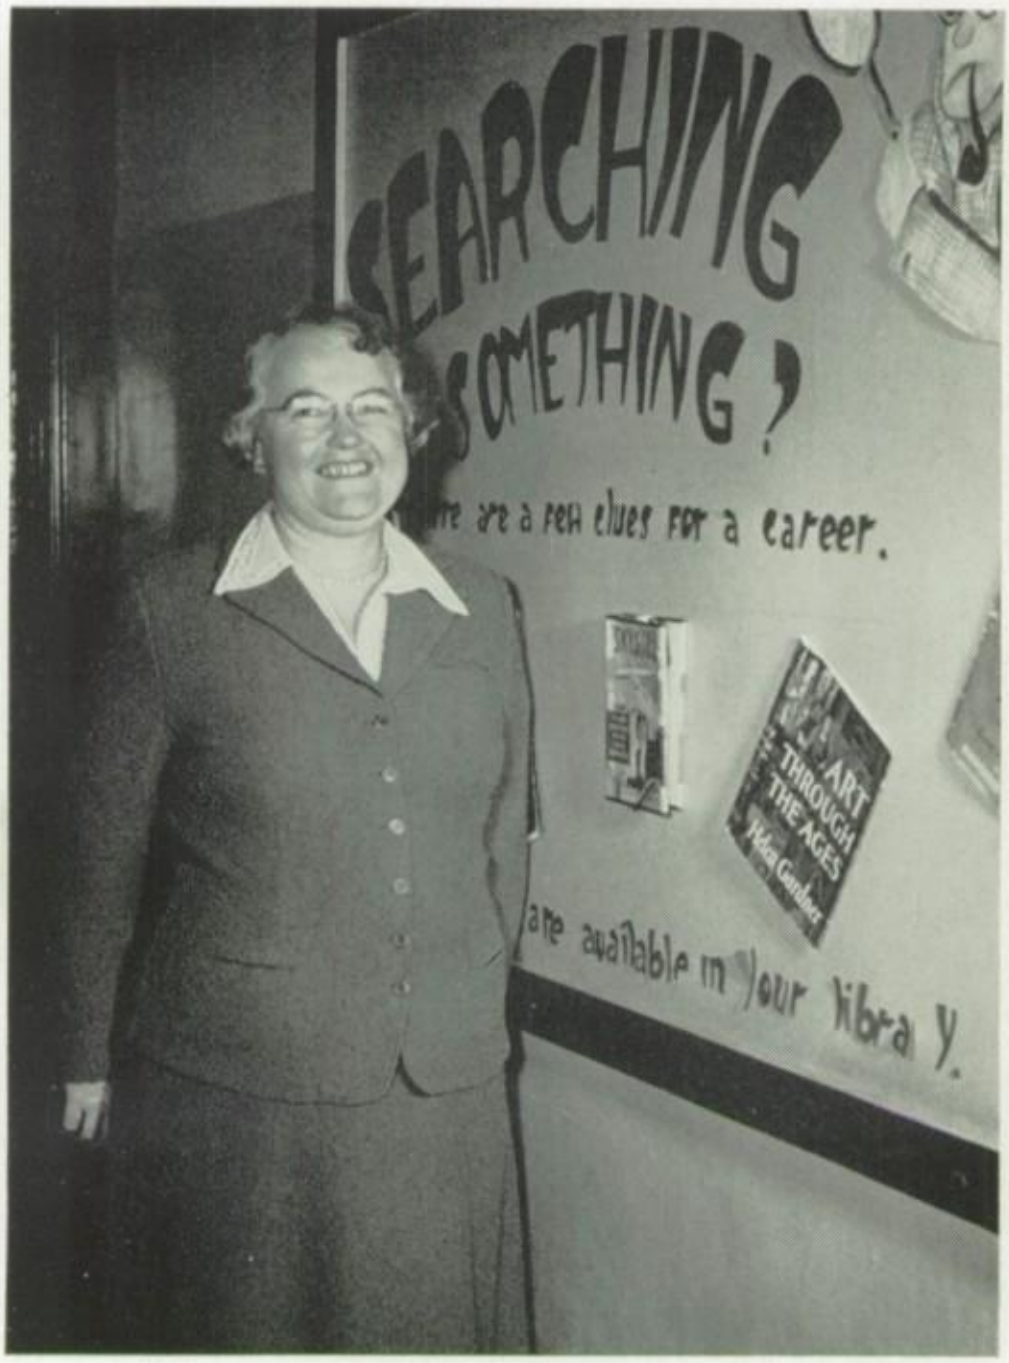
To our forward-looking superintendent and friend, who has always had our interests at heart, we wish to express our appreciation. He has always been willing to give us helpful advice throughout our high school careers.

THE PRINCIPAL

Mr. Jack R. Terry

Always willing to give a helping hand to someone in need is T. A. E.'s ever faithful principal, Mr. Jack R. Terry. Many hours of his busy days are devoted to students needing a word of encouragement, a reprimand for miscellaneous misdoings, or just a friendly chat. Most familiar to all students is his friendly and cheerful voice resounding over the loud speaker system each day. Many times during the year, he transports students to college campuses for visitation trips. Also, he has made the arrangements for many bus trips to athletic events. Mr. Terry has been a friend to everyone in the class of 1954 and certainly has not received the proper recognition for all his work. Thank you, Mr. Terry.

DEAN OF STUDENTS



Miss Carol L. Kendall

The Class of 1954 wishes to extend to Miss Kendall our sincere gratitude for her unending endeavors to see each one of us on our way to a successful career.

HERE WE ARE IN THE YEAR 1964, and soon we will be to our destination, Lost Hope. This little village is where the Class of 1954 at T. A. E. now resides. You see, uranium was found nearby, so they all rushed up here to get their share of the wealth.

As we enter the General Store, or The Trading Post, as it is better known, we see Danny Green, the home-spun philosopher talking to Peggy DeGolyer, who is sitting on the pickle barrel munching merrily away on the wares, and Arlene Stansfield who is sampling the latest shipment of crackers.

Well, who is that going by on the town snowplow? Why, it is none other than Duane Hurd. He pushes snow from one side of the street to the other. Next we see a sign saying Whitee's Beautee Shoppee, where we find Marlene White checking the appointments for Robert Nickerson, a manicurist; Dana Griffin, the eyelash curler; and Evelyn Woodward, the pedicurist.

For relaxation, we will drop in the local dance hall, and there to greet us is the melodious voice of Gary Whiting—now the champion mush-caller of Lost Hope. The afternoon show is about to start. What a line of can-can girls! We easily recognize Carolyn Haight, Patricia Madden, Donna Hower, Martha Atkinson, Marilyn Newman, and Sandra Weider. Standing in the corner, eyeing "Jivey-Joe" Krovetcz, the local "light-on-da-tootsies", is Betty Lou Anderson, better known as "Dangerous Lou." Jerking the sodas behind the bar is Gussie and his side-kick, "Loonie-Louie" Calderelli. Beating out the "Iceberg Blues" on the piano is Floyd Seeley paying no heed to the sign above him which reads, "Don't shoot the pianist—he's doing his best."

We leave the dance hall and stroll down Beemer Road named in memory of Chuck Beemer who was fatally wounded while attempting to rob the collection plate at the town church where Jack Keenan preaches. On our left we see De-bugging Bucky's Exterminating Agency. However, we will not be able to stop and greet Bucky and his co-worker, Rhoda Buchanan, as they are on the job at Marion Lee's Billiard Palace. Hating to miss seeing them, though, we hail one of Joyce Emmick's "taxis" and travel to the Palace. As we enter we see many of our old associates, among them, Fran Phielix, Kenneth Mecum, Robert Finch, Rudy Novak, Don Johnson, Rowena Edger, Pat Weaver and Eleanor MacBlane desperately trying to get out from behind the eight ball. Joyce Freeborn is the one that sets up the balls. Sounds like fun! Under the tables we see Bucky and Rhoda scooping up the bugs. After saying "Hi" to Marion and all we leave and cross the street to the Ballet School. Here we see Don Smith, Fran Woidzik, and Chuck Minch patiently instructing Janet Frendberg's fifteen kids in the fine points of ballet.

Now we shall take a trip through the residential section. On the right, we see the beautiful igloo of Carol Dieterle, the local morgue keeper. Next door we see Rex Ingerick trying to sell to the lady of the house, doilies, hand-crocheted by our

own Eldon DePue. Across the street we see Janice Hotchkiss peddling her papers as she always did every morning at T.A.E. Further down we see LaVerne Brown and Phyllis Kennon repairing dog-sleds in their home workshop. "Watch out!", you nearly stepped into one of Patty Burt's man-traps. She's got them set all over Lost Hope. On the edge of town Henry Hughes has his kennels where he attempts to raise husky dogs.

It's time to eat so back to the main drag we go. We hear Jean Konkol has a snack bar in her cigar store. Maybe we can find some more about our classmates there. Did you say Lois Beach is out of town—the captain of a fishing fleet owned by Gene Kohan? Imagine that! Who's that sitting in the booth there? Oh, yes, Ronald Wood, the sheriff and across from him is Shirley Evans, the deputy. They are trying to keep law and order in Lost Hope. Sitting in the corner booth are Marlene Guthrie and Carol Hable. We hear they're in business together. Carol runs a dress shop, and Marlene has charge of a hat bar. Look, there's Pete McGuirk in the back room. What's he doing? Why, he's washing dishes, of all things! Carl Phillips is sitting in a booth with his usual deck of cards. We wonder whom he is trying to lure into a game this time.

We then leave the cigar store and are on our way to the local factory which manufactures "who knows what." We see the blubber shop. On the window are painted the names Robert Granger and Mahlon Middaugh, who are the chief butchers. Here we are at the factory. We see Robert Latshaw in one of the most expensive sleds in Lost Hope. He's the president, you know. Chauffeuring him is his private secretary, Ida Mae Hoffman.

On our way back toward the wrestling arena, we pass the school where Ann Haich teaches; the bank where Duane Thomas is president, and Barbara Terwilliger is teller; the blacksmith's shop, which is run by Darla Siglin, assisted by Joy Mitchell on the bellows. Also we see Bernie Richardson's newspaper and a missionary society run by John Schiefen, Roland Forstner, and Howard Stedge. Arriving at the arena, we see on the showcard the names of Bones Banfield and Slippery Sylvia Cilensek, the feature for tonight.

In that red, white and blue igloo next door, Dick Amberg is feverishly sorting mail for the Lost Hope Branch of Shears and Sawbuck—run by Joanie Smoogen and Shirley Snyder, where you can get anything from lingerie to lawnmowers.

Why are all the ladies rushing into that store across the street? Now we can see. Heater & Heater Inc. are having their annual clearance of refrigerators—the one necessity for every igloo!

Here comes Lynn Cummings, the official iceberg watcher tearing madly down the street, warning us that a big "berg" is approaching. Hearing this news, we hop on our dog-sled and start for civilization again.

SENIOR CLASS HISTORY

As OUR REMAINING school days draw to a close and the Class of '54 is faced with the problem of "what now?", we can look back with pride and satisfaction on four wonderful and profitable years in T. A. E.

When we were Freshmen our class was organized under the capable sponsorship of Mr. Charles Easterbrook and with the following class officers: President, Daniel Green; Vice-President, Margaret DeGolyer; Secretary, Lois Beach; and Treasurer, Sylvia Cilensek. To introduce ourselves to T. A. E. an assembly was held featuring the Freshmen and their talents. Our first money-making venture was selling subscriptions to the Heights Review. This year was a good start toward our goal—to become a part of the Orange and Blue.

By the time we were Sophomores we had gained our foothold in T. A. E. We began the year with a successful Halloween party, where once more our class talent was witnessed and enjoyed by all. Also about that time we presented a Thanksgiving program. The theme was "Comparing the Pilgrims of Yesterday to People of Today." One of our larger projects was the "Funnybook Flounce." This "twirp" dance was co-sponsored by the Freshmen-Sophomore classes and based on comic book characters. Then in June, our annual class picnic was held at Enfield Glen. Our very able class officers (President, Peter McGuirk; Vice-President, Charles Minch; Secretary, Carolyn Haight; and Treasurer, Dana Griffin) helped us conclude another successful year. We had then conquered another step toward our eventual goal.

Our Junior year was full of money-making projects. We had a very successful magazine subscription campaign and also sold refreshments at football and basketball games and at wrestling matches. All our hard work was rewarded when we held the Junior-Senior Prom and Banquet. The theme was "Holland" and our President, Daniel Green, was master of ceremonies. The other officers for the year were: Vice-President, Francis Woidzik; Secretary, Shirley Evans; and Treasurer, Carolyn Haight. When our eagerly awaited class rings arrived in May we felt like full-fledged "Edisonites." The Seniors were our hosts at the annual Junior-Senior picnic at Enfield Glen.

Between our Junior and Senior years we began to realize that pretty soon we would have to leave the familiar halls of our Alma Mater. We began to make plans for our future and started to work a little harder than ever before.

This year, as Seniors, we elected the following class officers: President, John Schiefen; Vice-President, Joyce Emmick; Secretary, Patricia Burt; and Treasurer, Shirley Snyder. Once again money-making projects were necessary. We sold candy at Christmas, and presented in April the stirring drama "Death Takes a Holiday." We found ourselves busy selecting announcements and ordering our caps and gowns.

Now we know we have reached our goal—we have become a part of Edison. However, we couldn't have done all this without the guidance and understanding of our very able sponsor, Mr. Charles E. Easterbrook. Looking back, the Class of '54 knows that these have been four years well spent and ones to be remembered.

JUNIOR CLASS HISTORY

As JOLLY JUNIORS, our class had a prosperous and happy year. To begin with, we raised enough money during our Sophomore year to purchase a popcorn machine and a hot-dog machine. This added equipment helped us to raise more money for our Junior-Senior Banquet. Besides selling candy, popcorn, and pop at football and basketball games, we co-sponsored a Fashion Show and had an enjoyable class party.

During the year we purchased class rings, which will remind us of our good old T. A. E. in the years to come.

Naturally the highlight of the year will be the Junior-Senior Banquet at the Mark Twain Hotel May 29. As our yearbook goes to press, we are debating whether or not to have a "name band." No matter what type of band we have, we know that our Prom will go down in the annals of history as one of the best.

SOPHOMORE HISTORY

WITH ONE YEAR of experience behind us, the sophomore class under the friendly, capable guidance of Mr. Biondolillo was determined to make this year more successful than the first. During the first semester we sponsored a bake sale, weekly pizza sales, and a movie benefit, (O. Henry's Full House). Because the first semester was so successful, we were determined to make the second semester as profitable by selling cards.

We are looking forward to sponsoring the Autograph Dance near the end of the year and we hope it will be as successful as our other activities.

FRESHMAN CLASS HISTORY

THE FRESHMEN held their first class meeting in September. At the meeting, officers were elected. Gordon Bjorck was elected president; Kathryn Fenton, vice-president; Charlie Hackett, secretary; and Carol Hugg, treasurer. These officers have been working hard in order to make this year a "red-letter" year.

The first activity for the freshmen was the Christmas holly sale. The class really co-operated in making this a success. We discovered some outstanding salesmen in Barbara Fronko, Nancy LaForce, Helen Mowery, and Phyllis Shannon.

April was a busy month with the annual Freshman Dance being held in the gym. Through the excellent help of some capable committees, this affair was really outstanding.

As the class of '57 closes its first year in high school, it is more determined than ever to make the next three years more outstanding than ever.

EARLY IN THE FALL OF 1953, the members of the Student Council began their busy year by selling football programs at the games. Monday, October 26, 1953, left its mark in the heart of each Student Council member because on this day, at a special assembly program, each member was installed into the Student Council.

With the new year came new plans. A skating party was sponsored by the Student Council on Monday, March 1, 1954. It was a splendid success and the proceeds were used to help provide for the future needs of the school.

The 1953-54 Student Council of Thomas A. Edison High School, has worked hard and has proven its loyalty to its school. The Student Council's purpose was to make its school an even better school, and each member can freely feel that that purpose has been fully achieved.

CHEERLEADING CLUB started out its yearly activities by sponsoring a "Back to School" dance which was very successful. We also put on pep assemblies for football and basketball games.

Membership in the club is limited to thirty members per year, selected each spring following cheerleading tryouts. Regular meetings are scheduled for Tuesdays when all members must attend. One of the major tasks of our club is to pick new members and select T. A. E.'s Varsity and Jay Vee cheerleaders.

We would also like to extend our thanks and appreciation for the work and cooperation that Miss Terry gave to all of us.

THIS YEAR the Ushers' Club has really begun to function. This club is mainly a service organization, but we have found a place for loads of good times!

The club's first project was to establish an information desk in the main hall. There is always a girl there to help anyone who is a stranger to T. A. E. With the beginning of Night School, there was even a girl at the desk in the evenings. The club has also ushered for all assemblies and many other special functions including National Education Week Programs, the Christmas program, B.P.W.'s Fashion Show and the Starlit Ball Coronation.

Another very successful project was our collection of canned goods at Christmas for the needy. Joan Brown was in charge of this and about five hundred articles of food were given to the Salvation Army as a result of this campaign.

When Mr. Sautter left our school, the Usher's Club presented him with a "book of memories" and spearheaded the student movement to present him with a gift.

With all this accomplished, the club has still had time to have very enjoyable monthly evening meetings. Mrs. Edna Bartlett, popular radio personality, and Mr. Donald Palmer, from Gorton's Beauty Circle, were guests at two of our earliest meetings. The club also had a very successful party in February.

The club owes all of it success to our supervisor, Mrs. Florrine P. Stuart.

The Newspaper Club has experienced a very prosperous year. Each month a big printed paper was published. In February, "Neptune News" was published to follow the theme of the Starlit Ball.

As in the past years the Club sponsored dime dances after Friday night basketball games. These and other things have made the 1953-54 Newspaper Club a success.

Our best wishes and thanks to Mr. Dumbleton for his interest and supervision all through the year. The editorial staff consisted of:

Editor	Jerry Banfield
Assistant Editor	Peter McGuirk
Business Manager	Roland Forstner
Circulation Manager	Mark Banfield
Advertising Manager	Robert Granger
Exchange Editor	John Schiefen

LIBRARY COUNCIL

Library Council has completed another successful year of service and fun at T. A. E. Although the club is limited to only twenty girls, five from each class, the members are extremely active in serving the student body by charging out books, keeping the library clean and orderly, mending and caring for books and magazines, and making bulletin boards attractive.

After a two-month trial period of keen competition, new members are chosen from the freshman class each fall to replace the senior members. During this time the candidates become familiar with the use of the library tools and their duties as assistant librarians. The winners are announced through an invitation to attend the annual Book Week Punch Party in November.

Book Week, always the high-light of the year, keeps us on our toes advertising our books by putting up bulletin boards and hallway streamers throughout the school. The best part of the acivity-laden week, however, is the Punch Party to which we invite a speaker and another organization of our own age. This year, our honored guests were the twenty members of the Horseheads Library Council and their advisor. Shirley Evans' leadership spelled success for our Book Week events.

Meetings are held monthly and are always made "extra special" by delicious refreshments prepared by the members. Two girls team up for this once a year.

Under the enthusiastic leadership of Joan Smoogen, our president, the club enjoyed many more social get-togethers, such as: The Christmas Party at Ann Chase's; the Friendship Party at school; the Valentine Party at the home of Mrs. Riley, our club sponsor; our annual jaunt down to the Mark Twain Smorgasbord in May and last but not least, the farewell picnic for the out-going seniors.

Senior members who are eligible for Gold Key Awards this year are: Joan Smoogen, who, besides piloting the organization, did a wonderful job of reorganizing the vertical file; Evelyn Woodard who took complete charge of the circulation records; Shirley Evans, who as secretary, kept accurate records of our activities; and Phyllis Kennon who could always be depended upon to do a neat job of typing book and catalog orders.

Row one—Jean Forrest, Joan Brown, Phyllis Kennon, Bonnie Kingsley, Antoinette Spirawk, Joan Smoogen, Dorothy Rumsey, Jacqueline Ward, Anne Chase.

Row two—Jean Lashiw, Kathryn Fenton, Shirley Evans, Evelyn Woodard, Sharon Van Tine, Diane Ames, Sonia Platko, Suzanne Oparil.

Row five—Boris Kozielski, Mark Banfield, James Weiss, Norman Copp, Duane Mills, Robert Muccigrosso, Paul W. Smith, Norman Stuart, Charles Mangus.

On January 14, 1954, you would have found a gay group of students enjoying themselves at the first meeting of the Language Club. After the supper, the following officers were elected:

President	Janet Frendberg
Vice-President	Robert Muccigrosso
Secretary	Joan Lepkowski
Treasurer	Anthony Della Sala

Entertainment was furnished by the Rev. Herbert Erway who showed slides on his cruise to South America.

Other enjoyable features during the year were a dinner, a party, and putting on an assembly March 18 to celebrate the Ides of March. In this assembly some students tested their knowledge by participating in the quiz show in which they were asked about famous people and events in Roman History.

On March 20, three Latin II students, Joan Lepkowski, Robert Muccigrosso, and James Weiss, took a trip to New York University to participate in the Latin sight-reading contest.

VISUAL AIDS

The Visual Aids Club is a club that has been added recently to the many extra-curricular activities at T. A. E. The group is under the supervision of Mr. Charles Easterbrook and Mr. Donald Backus. The purpose of this organization is to take care of the projectors, spotlights, and the public address system.

The group works jointly with all the departments of the school. They are completely in charge of movies for assemblies and the music for dances and parties.

The club greatly appreciates the fine cooperation they receive from faculty members in their many projects.

AGAIN THE 60 VOICES dressed in royal blue robes—better known as the T. A. E. choir has represented us this year.

Our first project was the Christmas Program, which was put on for both the school and the public. A separate program was put on for the Rotary.

During the month of February the Choir worked very hard preparing for our Ninth Annual Starlit Ball the theme being "Under the Sea."

April proved a great success. Our well remembered Easter Program was presented.

Then came our own Spring Concert which was an even better performance.

In June we took part in the Baccalaureate and Graduation services, adding color with our music.

All in all 1953-54 has proven to be a successful year.

UNDER THE EXCELLENT leadership of Mr. Wesley R. Johnson, T. A. E.'s band has completed a most successful year.

The year began with the band playing for all the home football games. With the help of nine graceful twirlers and the Drum Majorette, many interesting formations highlighted "half-time." As a portion of one "half-time" show, the band formed the tuberculosis symbol, which helped serve as the kick-off for the Christmas Seal Drive.

Parades are one item that never halt T. A. E.'s band. The twirlers and band members try their best to bring honors in the form of trophies and awards to Edison.

With new music in their folders, the band performed expertly in its fast-moving sections of the Christmas Program and Spring Concert. Also, it played for the many assembly programs throughout the year.

Through cooperation and study, Edison's band has become a top-notch organization.

VARSITY FOOTBALL

"KING FOOTBALL" took the spotlight with the opening of school on Sept. 7. The powerful line and the "Pony Express" backfield of the Heights, gave Coach Al Northrop and his assistants the best record ever recorded by a Heights eleven. Their four wins and only one loss, put them in second place in the Southern Counties League, and three more non-league victories gave them an overall record of seven and one.

Corning North invaded the Height's field for the first game and went back home on the short side of a thrilling 13 to 7 defeat, as did Owego a week later 7 to 6, in two very exciting opening games.

With steady practice, the Heights steamrolled in successive weekends, lopsided victories over Painted Post 32 to 6, Watkins Glen 53 to 13, a surprising 47 to 6 over Corning Free Academy and a 60 to 20 rout over Bath.

Riding along at a record clip, the Heights were finally stopped by a snow storm that cancelled the Waverly game at Waverly and added another week to the season's schedule.

Horseheads came to town on a beautiful Saturday afternoon, looking to break the Heights string of victories and take home the "Jug", which they had lost the year before. The Heights scored two quick touchdowns over Horseheads and ended up on the nice side of a thrilling 19 to 6 victory.

With the Horseheads game under their belts, the players, students and faculty were looking forward to the important game with Waverly. With a lot of Heights fans at Waverly, the Wolverines put on a dazzling first-half performance and stood off Heights second-half passing attack to win the Southern Counties Championship 41 to 21.

VARSITY BASKETBALL

• • •

WITHOUT A MAN on the squad over six feet tall, the Heights basketball team opened their schedule of eighteen games against a very strong Elmira Free Academy five at the Heights gym. It was considered an upset, when the Height's five walked off the floor with a 50 to 49 victory.

The Heights won their first and last games of the season, but in between could only manage seven more wins while dropping ten for an overall average of eight wins and ten losses. All the games were close, however, as only two of the ten games lost were by more than eleven points.

The team lost their first two games in the Southern Counties League, but made up for it in the next one, when a Della Sala basket found its mark in the last eight seconds of the game to give the Heights a 57 to 55 victory over Horseheads.

Southside provided the competition in the next game for the Heights, and though they were expected to continue on their winning ways at the Heights expense, were greatly surprised when the Heights took an early lead and went home with a 69 to 65 victory.

Then the roof fell in as the Heights lost their next five games in a row before finally subduing Corning Free Academy 60 to 65. The final home game of the season saw a determined Horseheads team build up a first quarter lead of 23 to 14 and then struggle in with a surprising 70 to 65 victory. A visit to the Watkins Glen gym netted the Heights their third league victory in eight decisions 71 to 52.

The Heights will lose the services of starters Francis Phielix, Charles Minch and Donald Johnson while coming back for another season of basketball will be Arnold Northrop, Anthony Della Sala, and Richard Wheet.

JUNIOR VARSITY BASKETBALL

Led by the fine shooting of Dave Haskins and Tod Rachel the Junior Varsity rolled up an impressive 13 and 5 record. Their league record of 7 wins 1 loss earned them a tie with Waverly for the league's championship. In a playoff game at the Heights gym, the Waverly five defeated Coach Thomas Guidus' crew 67 to 45.

WRESTLING TEAM

Row one—Francis Woidzik, Bruce Miller, Eldon DePue, Rexford Ingerick, Robert Dwyer, James Hoobler, Gerald Bannister, John Wilson, Thomas Meagher, Rudolph Parker, Robert Webb.

Row two—Mr. David Cheplick, Peter McGuirk, Delmar Price, Donald La Barr, Melvyn Siglin, Charles Gormley, James Woughter, Gerald Stansfield, Robert Ermold, Richard Wichtowski, William Meagher, Edward Hall.

THE WRESTLING TEAM of Thomas A. Edison High School has again this year proved its abilities by compiling a very good record of seven wins to three losses in ten dual meets with other schools in this area.

The first match of the season was at Horseheads where a narrow 21 to 19 edge gave the team it's first loss but in a second encounter with the same opponent, Edison came back to reverse the score by making it 21 to 17 in favor of T. A. E. In successive matches, the Edison wrestlers went on a winning streak by defeating Painted Post two times, 39 to 5 and 39 to 2, Owego 26 to 18, Southside 21 to 17, and Waverly 41 to 3.

The worst loss was incurred at the hands of the Academy by a 28 to 13 score, but in the next meet the Edison matmen showed their old zip once more and knocked off Waverly again by a score of 42 to 0.

In the last dual meet of the season the wrestlers were upset by a sharp Owego team and went down to defeat 22 to 16. In this meet, Rudy Parker at 103 pounds, who was undefeated until then, suffered his only loss in league competition.

At the end of the regular season the Edison mat squad entered the Southern Counties League tournament as defending champions and came through once more to take the trophy. Those winning first place in the tourney were Bob Webb at 95 pounds, Rudy Parker 103, Jerry Bannister 120, and undefeated Fran Woidzik in the heavyweight class.

The Edison wrestling team entered the section 4 class A wresting tournament at Vestal and placed within the first five for the second straight year. Only one wrestler from Edison placed in the finals, however, and that was heavyweight Fran Woidzik who ended up in second place.

BASEBALL TEAM

WITH THE COMING of warmer weather to the Heights, the sports activities shifted from the gym to the baseball field, where some 42 boys started showing their baseball talents for the team. When the first cut was made, the team was just about ready for their first game against Corning North.

After dropping their first three games, Ray Zelko led a hitting assault against Corning Academy to give the Heights their first win of the year 10 to 6. Fran Phielix took the mound against Horseheads in the next game and hooked up with Don Waltrip in a mound duel, which saw Horseheads win in extra innings 4 to 3. The fielding of Joe Krovetz made it much easier for Phielix to rack up his third victory against Waverly 5 to 2.

It was all Dick Wheet in the Corning Academy game as he hurled a fine four-hitter to shut them out 3 to 0. The Heights avenged an earlier loss to Horseheads by scoring four big runs in the fifth to win 4 to 2. The final game of the year saw Wheet even everything for the Heights with a 7 to 0 win over Watkins Glen.

When it was over, the team ended up with an 8 and 8 record. Arnold Northrop led the team in hitting with a .353 mark, and Fran Phielix, the workhorse of the staff, won 6 and lost 5.

T. A. E. ADDED TRACK to its interscholastic sport schedule for the first time in 1953. About 35 boys came out for the squad. Despite the newness of the sport, some fine performances were turned in. The only victory of the season came against Troy, Pa. by the score of 57 to 38. Losses were encountered in meets with Owego 61½ to 33½ and 53 to 42; to Horseheads 60 to 35 and 55 to 40; to Waverly 79 to 16.

A Southern Counties Track meet was held at Horseheads on May 2 with Waverly, Horseheads, Owego and Heights, the participants. Our green team finished fourth with eleven points, Waverly was the victor followed by Horseheads and Owego.

At the Western Zone Section IV meet in Elmira, our only score came in the discus throw, Fran Woidzik placed second. Fran took part in the Section IV finals at Cornell University and finished third.

Other noteworthy performers were Howard Paige, undefeated in the mile run; Charles Genung in the high jump and broad jump; Rex Ingerick and Gary Whiting in the dashes.

GOLF TEAM

THE GOLF TEAM under the coaching of Thomas Guidus had one of their best years in a long while. They won two matches, both from Corning Free Academy. Though they dropped matches twice to Binghamton Central, Ithaca, and Endicott, they were all well played matches.

At the end of the year the team went to the sectionals, which were held on the I. B. M. course in Binghamton. Though no one placed there, they all had a good time.

Those who were on the team that had a two and six record were Robert Dwyer, James Collins, Roger Palmer, Robert Albright, George Townsend and George McGrain.

Row one—Mr. Guidus, Robert Albright, Robert Dwyer, Roger Palmer, George McGrain.
